To Our Valued Donor,

We would like to thank you for not only your donation, but also your enthusiasm in helping us help others. Radical Changes is an organization forged by individuals who truly wanted to make a difference, rather than hide behind a veil of performative activism. We wanted to have a direct hand in assisting those who are homeless in regaining their agency, and because of your donation, we can continue doing so.

Your donation will help purchase a cellular phone for an individual experiencing homelessness, a vital resource in our increasingly digital world. This phone will give them access to resources that can provide them food, work, shelter, and a sense of control over the situation they are facing. Your donation also funds our outreach program that distributes tents, hygiene products, blankets, clothing, meals, and other supplies to those affected by homelessness.

Above all, thank you for taking the time out of your day to listen to our mission and find it worth your support. In a world full of indifference, apathy, and ignorance, genuine patience and generosity can often appear scarce. But it is donations such as this that prove the opposite. If you have any questions about your donation and how it will be used, please do not hesitate to reach us at radicaladvocacyprod@gmail.com.

Sincerely,

Our Team at Radical Changes Advocacy
